**UNIQUENESS OF BEAUGENE**

Beaugene is a patented skin-defence system based on Traditional Chinese Medicine. Its pearl powder therapy dates back to a time when Chinese royals and aristocrats applied it on their faces to maintain their delicate, fair and radiant complexions.

Beaugene's unique powder is formulated with the nutrients of plant derived- or, more accurately, phyto-chemicals specially selected for beauty purposes. Through the functions of these phyto-chemicals, Beaugene works to tone, moisturise, nourish, protect and rejuvenate your skin.

**HOW DOES BEAUGENE WORK?**

THERE ARE THREE UNDERLYING PRINCIPLES.

- First, TCM sets out to address the source, not just the symptoms, of any problems and by using a beauty formulation based on TCM, Beaugene goes beyond the surface, so the results are more effective and longer lasting. In fact, Beaugene contains edible ingredients frequently used in TCM developed health food supplements.

PACKAGING FOR OEM

- Second, Beaugene is formulated with herbal active ingredients that are 100 percent natural to complement the skin's structure. Moreover, it does not include fragrances, preservatives, artificial colourings, oils, chemicals or additives, making it suitable even for sensitive skin.

- Third, Beaugene is anti-viral, anti-fungal, antibacterial and antiseptic. It removes all traces of environmental stress. Once collagen is repaired and the cells are healed, your skin is renewed and natural fairness, smoothness and radiance is yours once again.

**WHY BEAUGENE IS GOOD FOR YOU**

- Ingredients are 100 percent natural
- Results are more effective and longer-lasting
- Free from skin irritants
- Soothes and relaxes the skin

## SPECIAL HERBS

**YU ZHU**  
(Rhizoma Polygonati Odorati)  
• Promotes smooth skin  
• Moisturises the skin

**PEARL POWDER**  
(Margarita)  
• Reduces skin ageing process  
• Promotes smooth skin  
• Maintains fairness  
• Offers UV protection

**KUSHEN**  
(Radix Sapharar Flavescentis)  
• Helps reduce itchiness of sensitive skin  
• Has the ability to heal stubborn pimples

**TIANDONG**  
(Radix Asparagi)  
• Promotes skin radiance  
• Moisturises skin

**BAUJ**  
(Rhizoma Bletillae)  
• Famous for its ability in promoting growth of cells & tissues  
• Helps accelerate recovery of scars & pimples  
• Clears pigmentation

**MAIDONG**  
(Radix Ophiopogonis)  
• Known for its antiseptic effects  
• Able to prevent acne growth

**SHANYAO**  
(Rhizoma Dioscoreae)  
• Promotes skin firmness  
• Moisturises skin

### ENVIRONMENTAL STRESS AND THE SKIN

In today's fast-paced world, our skin is constantly exposed to negative environmental factors such as grime, pollution, allergens, harmful UV rays, and extreme temperature changes (for example, going from an air-conditioned office into the tropical heat). All these negative factors attack the skin, affecting even its inner layer, or dermis.

The dermis is composed of 70 percent collagen, which is the main component of the skin's connective tissues. If you examined the skin's tissues under a microscope, you would find that the cells of healthy, young skin are tightly sealed together, while the cells of damaged, older skin are loosely separated.

Collagen is what keeps our skin clear, smooth and supple. It is the body's anti-ageing building block and once it collapses, we will age very quickly.

Early symptoms are a dull and sallow complexion, uneven skin tone, pigmentation and the formation of fine lines.

The only way to keep collagen at its peak is to stimulate it so that the skin cells are constantly repaired and renewed.

PACKAGING FOR OEM

Beaugene powder has collagen-building hormones, enzymes, vitamins, minerals and antibodies to carry out the function of assisting cell renewal and cell regeneration.

Natural herbal ingredients such as Rhizoma Polygonati Odorati and Rhizoma Dioscoreae work synergistically to nourish the skin so that it stays at its optimum level of youth and beauty.

Beaugene is dispensed individually in blister packs to seal in its nourishing goodness. To use, mix the pearl powder with water to form a smooth gel for applying on clean skin.

### BEAUGENE'S INGREDIENT COMPOSITION

Margarita, Rhizoma Bletillae, Rhizoma Polygonati Odorati, Radix Asparagi, Radix Ophiopogonis, Rhizoma Dioscoreae and Radix Sophorae Flavescentis.
