ORGANIC SOYA

A Complete Protein Drink

■ ORGANIC SOYA

Enjoy better health with Organic Soya. All natural and with no added sugar, it is a delicious, nutritious drink for the whole family, with wholesome goodness coming from nature's own *Miracle Bean*, the organic soya bean.

The nutrients provided by Organic Soya are easily absorbed by our body because they are 100% natural. Which means that we get all the benefits of essential amino acids, protein, vitamins and minerals the drink provides. It has no additives, artificial flavouring, colour or preservatives. It has no cholesterol and is low in fat, excellent for weight control.

The soya beans used in Organic Soya are cultivated in the Heilongjiang region of China, an area which is extremely clean

and unpolluted. Only the finest grade of organically-cultivated beans is used, Heilongjiang is well known for producing the best soya beans in China and the world.

■ THE GOODNESS OF ORGANIC SOYA BEAN

Organic Soya beans contain 40% more protein than any other unprocessed bean. It also contains vitamins C and B complex, and all the eight essential amino acids that our body requires. It is also a good source of minerals like calcium, zinc, phosphorous, iron, lecithin and unsaturated fatty acids. No wonder it is known as nature's very own *Miracle Bean*.

ORGANIC SOYA

A Complete Protein Drink

SOYA THROUGH THE AGES

Today, many people are switching to soya products not to save the world, but to save themselves from modern-day plagues such as cancer, osteoporosis, high cholesterol and heart diseases.

BENEFITS OF ORGANIC SOYA

Organic Soya can help:

- Lower cholesterol levels
- Fight the risk of cancer because it's an all-natural food
- Reduce and regulate blood pressure
- Prevent the risk of heart diseases
- Ease menstrual and menopausal discomfort by regulating estrogen levels
- Promote healthy bowel function to detoxify the internal system
- Strengthen bones due to its high calcium content
- Regulate nutritional needs for vegetarians and vegans whose diets may be lacking in certain nutrients

NATURE'S COMPLETE PROTEIN DRINK

The soya powder is manufactured and packed using sophisticated technology and the most stringent hygiene standards. This technique seals in all the flavour and nutrition of each bean while removing the raw aroma of soya beans, which makes the final product even more delicious.
